## IMPORTANT INFORMATION

### Parking

Parking at the Salt Palace can be tricky, especially during busy events downtown. Below are **two recommended parking options** – both shown in red on the map. Please note these are **paid parking lots**, and rates and availability may vary depending on other events happening in the area. We recommend arriving early, using a shuttle, or taking TRAX if possible.

#### **West Parking Garage**

- Located directly attached to the Salt Palace.
- After parking, take the elevator to the second floor and follow the signs to Hallway 1 (where our event will be held).

#### **Park Place Lot**

- This lot is directly across South Temple from the Salt Palace.
- After parking, walk across the street and enter the Salt Palace at the 200 West entrance.
- Once inside, follow the signs to Hallway 1.
